

American Chemical Society Georgia Section Women in Chemistry Scholarship

The American Chemical Society Women Chemistry Committee for the local Georgia section announces the **ACS Georgia Section Women in Chemistry Scholarship for 2016**. The scholarship award of \$500 will be presented to one undergraduate or graduate female majoring in the chemical sciences.

In order to be eligible for the ACS Georgia Section Women in Chemistry Scholarship, a woman must have all of the following qualifications:

1. Be currently enrolled in an undergraduate or graduate program within the ACS Georgia Section 45 region, majoring in chemistry or a related chemical science. See map below for eligible regions.
2. Have a minimum cumulative GPA of 3.0 or higher
3. Demonstrate the qualities of a future leader in the chemical sciences

Applicants are responsible for:

- Completing the [online application](#)
- Electronically submitting the following additional information to georgiawcc@gmail.com
 - Official electronic transcripts from all colleges and universities attended by the candidate
 - One (1) letter of reference from a qualified person who can attest to the candidate's leadership in chemical sciences. Candidate should arrange for the letter to be sent electronically to georgiawcc@gmail.com. Letters should be sent independently of the candidate's application packet prior to the application deadline.

All materials are to be submitted by **May 1, 2016**.

If you have questions please contact the ACS Georgia Women in Chemistry Committee at georgiawcc@gmail.com.
