**Ms. Janeen Jason, Barcelona VinoTeca,
Certified Sommelier**

“The Science of Wine”

Bio: Ms. Janeen Jason has worked in the restaurant industry for more than 10 years with over four years of studying the intricacies of wine. Ms. Jason is a certified sommelier through the Court of Master Sommeliers, and admittedly has drunk a lot of wine! Born in New York, Ms. Jason was raised in the Atlanta Metro area where she graduated from Georgia State University with her Bachelors in Public Relations. While she worked at Two Urban Licks, she realized that translating her passion for wine into selling and learning all about it would be more lucrative than other aspects of the business. Pursuing her passion, she has met some amazing people, such as Beverage Director of VinoTeca, Mrs. Katie Rice, in the process who continue to influence her to dive headfirst into the wine world. Through self-study and joining blind tasting groups, Ms. Jason put the wine puzzle pieces together herself. She says, “Passing the certified sommelier exam was the best experience and opportunity for growth ever!”
